## Revisions Log:

- A - 2/13/2008 Initial release. Not yet doublechecked vs week-by-week schedule (I.e. some home or away games may be mixed up as in previous years). Not sure why some games are in [blue ink](#). The schedule came that way and it may mean something, so I left that in.
- A2 - 2/13/2008 Same as Rev A, the only change is that I just alphabetized teams in each division.
- B - Rev B will have some color-coding indicating divisional games and games up or down a class. It should be out by the end of February.
